PROFESSIONAL EXPERIENCE

IDEMIA – Strategy and CSR apprentice

La Défense, Paris, France

Sep 2024 – Sep 2025

- Analyzed SBTi reduction target of 58.8% for Scopes 1, 2, and 3 through scenario modeling and cost assessment.
- Recommended the optimal reduction pathway based on ROI analysis linked to the Green Cover Bond framework.
- Conducted natural disaster risk assessments (floods, heatwaves, water stress) for IDEMIA's sites, guiding site location decisions.

GE Healthcare – Packaging Circularity Optimization

Paris, France

Jun 2024 – Sep 2024

- Analyzed packaging lifecycle costs, identifying inefficiencies that led to a projected 15% cost reduction and 25% waste minimization.

Carrefour – Supply Chain Backhauling

Paris, France

Feb 2024 – Jun 2024

- Contributed to a supply chain audit, improving logistics efficiency by 10%.
- Assisted in implementing a backhauling strategy, reducing transportation costs by 2.4%.

EXTRA CURRICULAR ACTIVITIES

Junior Enterprise

2022 – 2024

- Won 1st place in a BCG-organized consulting hackathon.
- Contributed to company-sponsored consulting missions.

Karate

Black Belt – Demonstrated discipline, resilience, and competitive spirit.
